If you find this publication worthwhile and would like to make a donation then you're out of luck because we believe the truth should be given freely!

The earth is flat, but a 5 second glance at a billboard isn't going to break down 500 years of indoctrination! Want positive media exposure how about the headline "Flat Earth Group Feeds the Homeless" or "Flat Earth Group helps the elderly". Decentralize, stop following the "Flat Earth Top Brass" and think for yourself.

Historically, the main enemies of flat earth are the Masons, Satanists, Zionists & Jesuits that push heliocentrism. So why allow an admitted Mason & Satanist to co-opt the so called "Flat Earth movement" and just follow him blindly to destruction. Use your discernment, step back and take an impartial look at the situation because if you continue to follow I.P.S. then you are an indoctrinated cult member!

"There shall not be found among you any one that maketh his son or his daughter to pass through the fire, or that useth divination, or an observer of times, or an enchanter, or a witch. Or a charmer, or a consulter with familiar spirits, or a wizard, or a necromancer. For all that do these things are an abomination unto the Lord: and because of these abominations the Lord thy God doth drive them out from before thee." - Deuteronomy 18:10-13

Revelation 21:8

But the fearful, and unbelieving,
and the abominable, and murderers,
and whoremongers, and sorcerers,
and idolaters, and all liars,
shall have their part in the lake
which burneth with fire and brimstone:
which is the second death.
